Additional Details

Excellent Communication Skills
Team Player

Strengths

- A self-driven learner with Front-End and Back-End knowledge. Passionate about implementing and launching new projects.
- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.
- A team player with good communication skill always ready to work for the enrichment of knowledge.
- Has working knowledge on ReactJS and C# with ASP.NET on an intermediate level.
- Also Implemented Home Loan Application using C# and ASP.NET MVC in case study and upskilling day by day.

Achievement

CHAT-APP for Android and iOS

Created a personal chatting application with contacts syncing for Android using React Native and Firebase. In App login and authentication using SMS also implemented using Firebase.

Home Loan Application

Created a fully-functioning Home Loan Application, both front and back-end using C# and ASP.NET MVC and used Bootstrap5 to provide simple yet dynamic styling.

Personal Portfolio Website

Designed and created a portfolio website for myself using ReactJS for frontend and AWS Amplify for backend
